

CYCLES OF THE MOON

(From the Children's Book: *Lights, Camera, Diwali!*)

Instructions: Color in and label each phase of the moon below!

A 3x3 grid of circles for labeling moon phases. The center circle contains a smiling Earth with blue oceans and green continents. The other eight circles are empty. Horizontal lines extend from the left and right sides of each row, and vertical lines extend from the top and bottom of each column, forming a grid of boxes for labels.

It's Time for Diwali!
